Participant Roster (2016)

The Participant Roster lists the participants who signed the CISWG Group Participation Agreement (GPA). Habitual non-attenders of meetings are at risk of being declared non-voting (per Operating Procedures 3.7). Voting rights are re-established immediately when the participant attends a meeting and asks to have voting rights reinstated. Participants of any classification always have mailing-list posting privileges.

"X" indicates attendance
The "**q(** *n* **)**" designation means quorum was reached, with *n* being the minimum number of voting participants required.

Quorum Calculation

As of 2019-05-15 quorum is 6 of 11
