

Kate Downing to Me 10:42 AM

Private

Jim, I have the doc to share if you like?

[Reply Privately](#)

Lisa LeVasseur to Everyone 10:43 AM

morning

John Wunderlich (he/him) to Everyone 10:47 AM

Have to grab a coffee. BRB

Lisa LeVasseur to Everyone 10:49 AM

what happened to the comments Mary and I provided?

Kate Downing to Me 10:50 AM

Private

Lisa, the comments have been added into the Kantara format

Kate Downing to Everyone 10:51 AM

Lisa, the comments have been added into the Kantara format

John Wunderlich (he/him) to Everyone 10:51 AM

back

Ken Klingenstein to Everyone 10:55 AM

back in a few minutes

KantaraColin to Everyone 11:01 AM

I gotta drop, sorry..

Iain Henderson to Everyone 11:05 AM

apologies, I need to drop off; client call incoming

Ken Klingenstein to Everyone 11:06 AM

back

Lisa LeVasseur to Everyone 11:16 AM

Is the paper published?

Lisa LeVasseur to Everyone 11:16 AM

or posted

Kate Downing to Everyone 11:17 AM

Ken's doc is in the meeting documents (subfolder) in the workspace

Lisa LeVasseur to Everyone 11:17 AM

thanks!

Kate Downing to Everyone 11:18 AM

Lisa LeVasseur to Everyone 11:21 AM

Because there's also Nathan Kinch's excellent work around how to do TOS

John Wunderlich (he/him) to Everyone 11:22 AM

Simplest thing might be to do a blog post on the Kantara site?

Kate Downing to Everyone 11:24 AM

Hey Ken, please could you post a link to the GitHub? Thank you

Ken Klingenstein to Everyone 11:25 AM

will post github link later today

John Wunderlich (he/him) to Everyone 11:27 AM

<https://www.weboftrust.info/next-event-page.html>

Lisa LeVasseur to Everyone 11:27 AM

would be good to have a clear outcome in mind: e.g. Consent best practices and outstanding challenges

Lisa LeVasseur to Everyone 11:28 AM

could do such a paper there

Ken Klingenstein to Everyone 11:28 AM

need to leave. i think we can start the thread next call, but will clarify my schedule
