# What is IDPro?

@idpro\_or

g

**A place for professionals to  
learn how to make their  
programs and projects more  
successful.**

**A place for professionals to  
learn how to grow their own  
careers.**

**An independent voice that extols the value of IAM as a partner, equal to both security and privacy, as well as a crucial partner for customer delight with our lines-of-business.**

**IDPro helps define, support,  
and improve the digital  
identity profession globally**

@idpro\_or

g

**IDPro facilitates identity practitioners interacting with, learning from, and giving back to their professional community**

@idpro\_or

g

**IDPro enables identity  
technology and service  
providers to interact with  
identity professionals in  
thoughtful, respectful, and  
valuable ways**

**IDPro provides a collective voice for the digital identity and access management industry to policy makers**
