

Kantara Initiative Overview

Open and Agile...

Kantara Initiative
Japan Work Group Co-chairs

Kantara Initiative is Born (mid-2009)

Kantara (kan-TAR-a): Swahili for "bridge";
Arabic roots in "harmony"

Primary focus to foster:

- industry coordination
- interoperability
- innovation
- broad adoption

...through the development of:

- technical specifications
- operational frameworks
- deployment best practices
- compliance programs

Trustees

Members

Kantara Initiative enables Harmonization

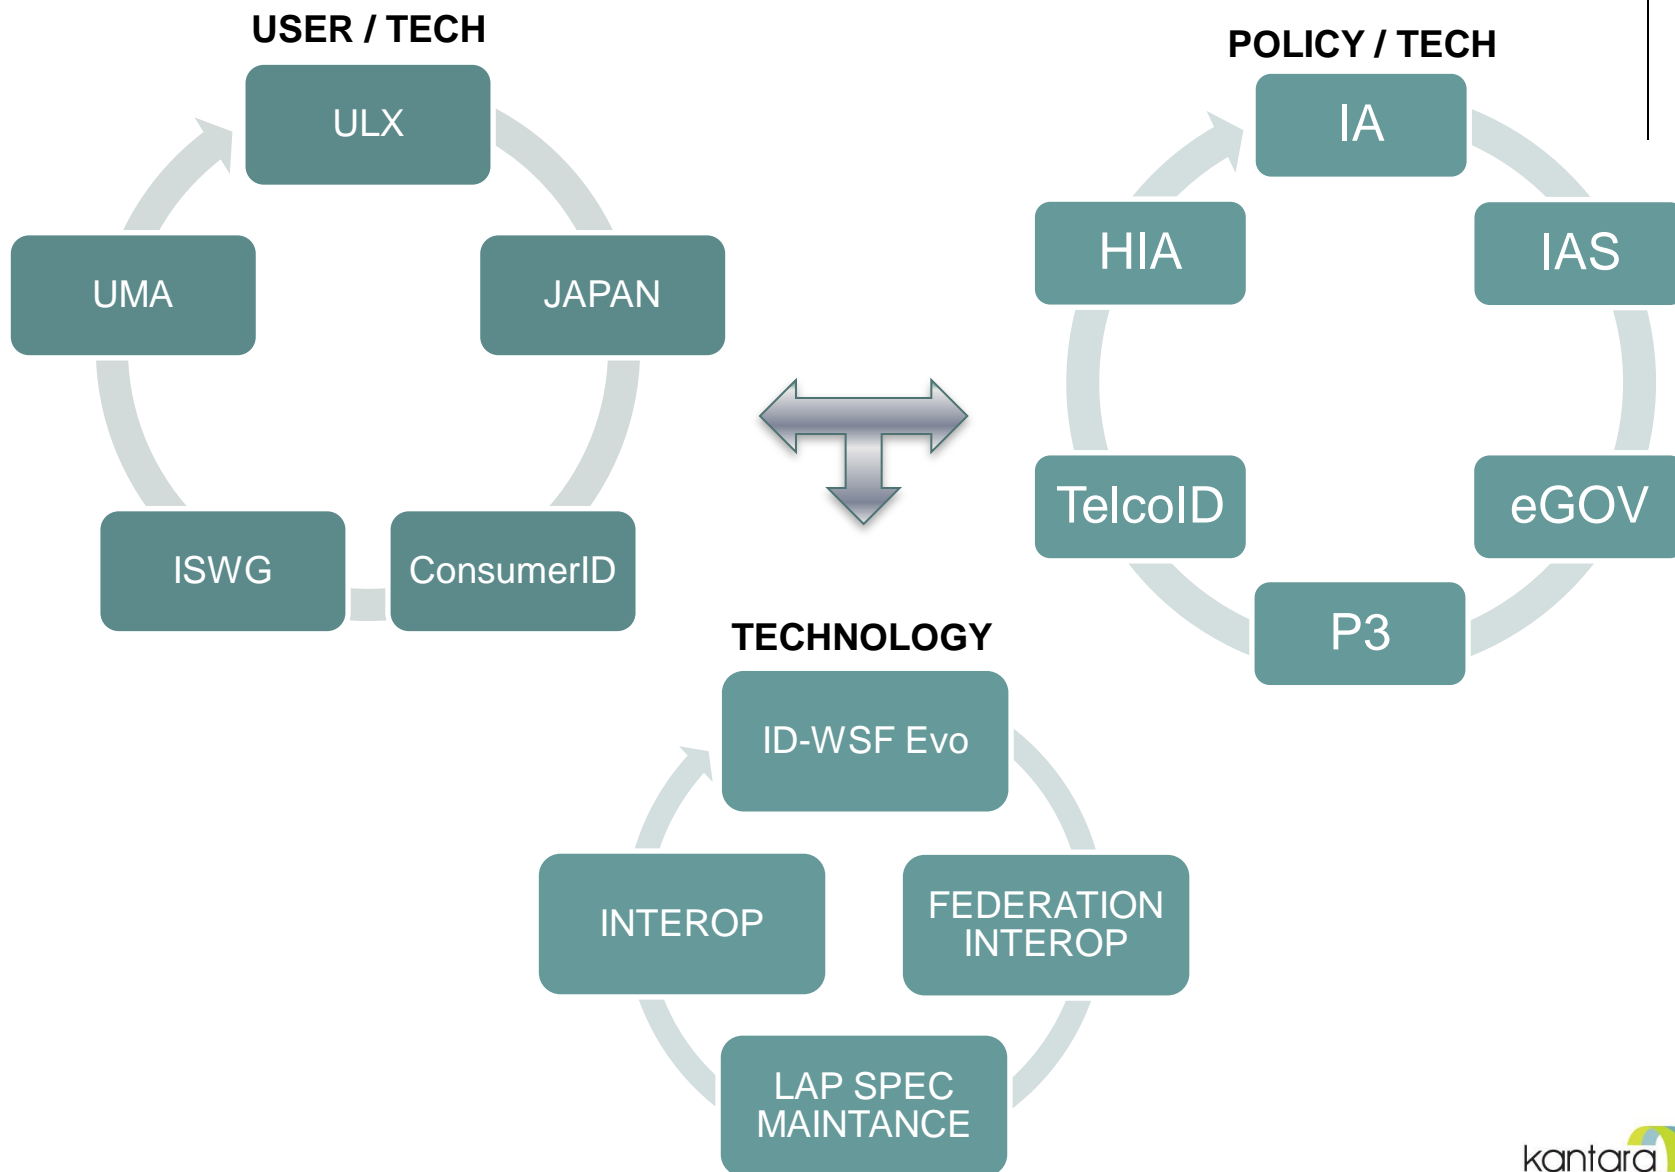

Bridging and harmonizing the identity community with actions that will help ensure secure, identity-based, online interactions while preventing misuse of personal information so that networks will become privacy protecting and more natively trustworthy environments.

It is our mission and goal to work openly with the Identity community to develop and harmonize real value solutions to solve issues facing Identity Access Management today...
