

# Participant Roster (2016)

The Participant Roster lists the participants who signed the CISWG [Group Participation Agreement \(GPA\)](#). Habitual non-attenders of meetings are at risk of being declared non-voting (per Operating Procedures 3.7). Voting rights are re-established immediately when the participant attends a meeting and asks to have voting rights reinstated. Participants of any classification always have mailing-list posting privileges.

"X" indicates attendance

The "q( n )" designation means quorum was reached, with n being the minimum number of voting participants required.

## Quorum Calculation

As of 2019-03-20 quorum is 6 of 10
