

2016-08-15 Meeting Notes - User Terms (Intentcasting use case)

Date

Aug 15, 2016

Attendees

- [Mary Hodder](#)
- [Colin Wallis](#)
- [Doc Searls](#)
- [John Wunderlich](#)
- [@Jim Pasquale](#)

Discussion Items

We discussed the terms and questions surrounding the use case of intentcasting.

Term information is here with sample language for human readable and legal readable:

[UST Intentcasting V.2 UX and Human Readable](#)

Diagram also included.. to be reviewed next Monday on call.

Action Items

- Mary Hodder to create first wiki page with human readable terms. Reuse what we can from No Stalking term. Send to group.
-
