The Kantara Initiative is the global consortium improving trustworthy use of identity and personal data through innovation, standardization and good practice.

Few, if any, organisations can succeed at all stages of digital transformation in isolation. Kantara Initiative brings together the right thought leaders and industry representation - vendors, adopters, governments, standards bodies - to address all transformation stages.

ACCREDITATION & APPROVAL PROGRAM

Learn: Trust Operations
Who’s Approved / Accredited: Trust Status List
Controlling Docs: Identity Assurance Framework

KANTARA INITIATIVE

- Main Kantara Site
- Reports & Recommendations
- Policies & Procedures
- Mail Lists
- Contact Us
