UMA group participants are known as UMANitarians. Become one today! The current leadership team is listed here.

This Participant Roster indicates those participants who signed the Group Participation Agreement (GPA) for the UMA group. Habitual non-attenders of meetings are at risk of being declared non-voting (sometimes called being an "observer"). Participants who wish to re-establish voting rights may do so simply by attending a meeting. Participants of all stripes always have mailing-list posting privileges.

Note: Since participants may move between voting and non-voting, and are moved to the second half of the table when they become non-voting (thus removing their record), the attendance record columns do not necessarily reflect actual attendance at any one meeting. Rather, they are a tool to help the chair manage quorum over time. Click on column headers to sort on them. "q(n)" means quorum was reached, with n being the minimum number of voting participants required.

As of 24 Mar 2012, quorum is 6 of 10.

Unknown macro: 'table-plus'
