

2012 HIAWG Archived Participant Roster

This 2013 Roster archive is not accurate - the meeting notes and minutes were used to record meeting attendance in 2012.

Please note this Participant Roster indicates those participants who signed the [Group Participation Agreement \(GPA\)](#) for this group. Habitual non-attenders of meetings are at risk of being declared non-voting (per Operating Procedures 3.7). Voting rights are re-established immediately when the participant attends a meeting and asks to have voting rights reinstated. Participants of any classification always have mailing-list posting privileges.

As of 1 July 2012, quorum is 8 out of 14 voting participants
