Action Items Summary

Action Item	Assigned To	Status	Description	Comments
2010-01-13	Scott	Done	Ask within the XRI TC about the status of an "XRD profile for OpenID"	Done. Need to percolate this a bit.
2010-01-13	Paul	Done	Compare charters of IdP Selection and ULX WGs	Done, but this turned out not to be a good way to evaluate a possible merger
2009-12-02	Paul	Done	Talk to Mike McIntosh about starting a wiki page for RP metadata	Mike created a RP metadata
2009-12-02	Paul	Done	Talk to Valeska about creating a non-chrome login button	See [http://kantarainitiative.org/confluence/display/ulx/Non-chrome+Login+Button]
2009-12-02	Bob		Create a new use case by re-casting the European higher ed material	
2009-12-02	Paul	Done	Work with Valeska on getting first dynamic prototypes started	Kevin Konikowski has been engaged and has started work
