

2018-07-06 Meeting notes (WG Leads)

Date

2018-07-06

Attendees

- [Andrew Hughes](#)
- Corné van Rooij

- David Turner
- Jim Pasquale

Goals

- Prep first draft of interview questions

Discussion items

- Next call - see if Trunomi or Consentua are available to demo their products
- Worked on a first draft of interview questions - in a private Google doc for now for refinement, but will share with WG next call
- Andrew talked about conversations from Identiverse - lining up vendors to ask their customers (interview or survey style) about their consent management practices - some interest in doing that
- Consent management was a big topic - some confusion between 'granting permission' and 'consent to process' exists

Action items
