

# 2018-04-25 Meeting notes (WG Leads)

## Date

25 Apr 2018

## Attendees

- [Andrew Hughes](#)
- David Turner
- Jaap Franke
- Jim Pasquale
- Colin Wallis

## Goals

- WG work planning

## Discussion items

- Table of Contents
  - We need to get the TOC posted so we can start collecting practices from more and more organizations
  - Parallel work on Regulatory requirements and Practices
    - Use interview-style to collect many practices
  - Where do we get a list of organizations to interview?
    - Use the WG
    - Use IAPP; look for advertised use of consent; consent tech;
    - Jim task to do followup blog with IAPP - cover a call for interest/participation
  - How to get the information?
    - use the draft TOC to guide the discussion
  - Need to find/construct a simple model for notice and consent around which to ask the questions
    - digi.me has a word doc companion for the Consent Access SDK - guidelines on how to ask for consent
    - iWelcome to build similar doc including Actors
    - sources: look at Canada Privacy Commissioner, UK ICO, Article29 WP guidance, IAPP guidance (Andrew to research)
- Andrew to create Agenda for next week's call
  - Micea - unloq.io
  - Ken Klingenstein

## Action items
