

2018-05-09 Meeting notes (WG Leads)

Date

2018-05-09

Attendees

- [Andrew Hughes](#)
- Corné van Rooij

- David Turner
- Jim Pasquale
- Colin Wallis

Goals

- WG work planning

Discussion items

- WG call May 16, 2018 - Jim to host and record; Corné and Andrew at EIC Munich
 - invite JLINC to present
- getting more companies to contribute
 - invite companies to demonstrate then do a post-interview
 - then post back the interview notes into a future meeting
- Can use a simple matrix (TOC Headings x Company) to show coverage
- Use EIC to collect companies to engage
- Engage associations
 - talk with MEF, IAPP, Personal Data, MyData - to reach their members
 - ACH to talk with John W. to get people from IAPP Canada
 - Jim to approach MEF, IAPP: engage Jedd and Ryan to blog about Kantara and consent (include Colin in the discussion)
 - Colin is working on strategic alignment with IAPP
- KPMG, PWC, Deloitte, etc
 - Good if we can get them
 - Also individual consultants
- We need to get Data Controllers to contribute, not just Data Processors
 - iWelcome has a bank, healthcare org, transportation org
 - Jim has David Kearns, Dan Blum - analyst outreach
- what about the toolsets and content generators?
 - lubenda, OneTrust, Nymity,
