

WG - JAPAN - Participant Roster

Note: A new sorting plugin has been added allowing users to individually control their view by toggling column headers.

Please note this Participant Roster indicates those participants who signed the [Group Participation Agreement \(GPA\)](#) for this group. Habitual non-attenders of meetings are at risk of being declared non-voting (per Operating Procedures 3.7). Voting rights are re-established immediately when the participant attends a meeting and asks to have voting rights reinstated. Participants of any classification always have mailing-list posting privileges.

As of 21 February 2012, quorum is 5 of 8.
