Subject: Scottish Government Digital Identity Scotland - Beta Stage
Date: 2020-10-06 12:50

Dear Industry Colleagues

Further to registering your interest in the Digital Identity Scotland (DIS) online industry engagement event, this email provides a link to our online presentation, and a selection of attachments in PDF format, as promised. The presentation is a video lasting approximately 32 minutes, with audio and captions.

The active presentation is at:

The attachments are:

1. Digital Identity Scotland - Scottish Attribute Provider Service (the presentation slides)
2. SAPS Engagement Day Script
3. DIS SAPS Strategy v1.0 - For Circulation and Discussion
4. SAPS Technical Brief for Industry
5. SAPS Indicative Requirements
6. SAPS Engagement Day Questions

As per our previous communications:

1. All interested parties will get access to the same information to ensure openness and fairness
2. All parties can feedback directly to DIS via the digitalidentityscotland@gov.scot email box with any responses to the questions or to provide general comments
3. We will do our best to respond to questions, within one week of receipt.

We'd like to thank you for the interest shown to date and hope that this process stimulates constructive discussion and consideration of this opportunity.

Regards,

The DIS Team.
