Approved

1. SAML2INT

Still need to prioritize the non controversial edits.

Need to find editor, Scott will talk to Ian.

There has been discussion on the refers list. A number of federations are actively using the profile.

Some new things like Entity attributes for attribute release are also likely going to be required.

2. Discussion of Connect profile.

Mat and John will meet next week to share editing.

Call ended at 50 past the hour.
