1. Alberta LoA for Identity Proofing Question.

It has also been discussed in eGov. We are waiting for more use case info.

2. Connect Profile & coordination with the OIDF Connect WG.

Mat and John to coordinate. more editing.

3 Nate reported the interest in SCIM by the R&E community but it lacks any real momentum on the implementation side.

We discussed adding tracking of provisioning protocols to our reporting.

4 UMA was discussed as a way to manage delegation of deligation.

Call ended at 55 min in.
