

# Participant Roster

This Participant Roster indicates those participants who signed the [Group Participation Agreement \(GPA\)](#) for the Federation Interoperability group. Habitual non-attenders of meetings are at risk of being declared non-voting. Voting rights are re-established immediately when the participant attends a meeting and asks to have voting rights reinstated. Participants of any stripe always have mailing-list posting privileges.

"1" indicates attendance

The "**q**( *n* )" designation means quorum was reached, with *n* being the minimum number of voting participants required.

**Note:** Since participants may move between voting and non-voting, and are moved to the second half of the table when they become non-voting (thus removing their record), the attendance record columns **do not** necessarily reflect actual attendance at any one meeting. Rather, they are a tool to help the chair manage quorum over time.

## Quorum Calculation

As of 21st August 2019, quorum is 4 of 7.
