1. Origo hereby grants to any other person or legal entity a no-fee, royalty-free, nonexclusive, non-transferable copyright license for the next two years under its Necessary Claims to implement the User managed Access (UMA) 2.0 Profile for UK Pensions Dashboards as contributed by Origo on December 6th 2020 at at <https://kantarainitiative.org/confluence/display/uma/Third-Party+Profiles+and+Extensions>, but only to the extent needed to be a fully compliant implementation of that Profile, and to make, use, import, sell, promote or otherwise distribute, directly and indirectly, the resulting implementation.
2. Origo irrevocably covenants that it will not assert, against any person who makes, has made, uses, offers to sell, sells, imports or otherwise distributes products or services that constitute a fully compliant implementation of the UMA 2.0 Profile for UK Pensions Dashboards, any patent claims by Origo that necessarily are infringed by such an implementer's Licensed Materials.
3. Capitalized terms are used herein as defined in the Kantara IPR Policies here: <https://kantarainitiative.org/about/ipr/> and its Patent and Copyright Reciprocal Royalty Free with Opt-Out to Reasonable And Non-discriminatory (RAND) Option Appendix B here <https://kantarainitiative.org/confluence/pages/viewpage.action?pageId=41025689> and elsewhere on Kantara's website
