Identity Service Provider

Attribute Service Provider

For application in the following Supplementary codes

NA

Summary of service:

TruValidate delivers a range of identity proofing, risk based authentication and fraud analytics solutions, for the purposes of identity verification and crime prevention, to clients with offices in the UK. We focus on making trust possible between our clients and their customers – the solution enables clients to establish trust in a presented identity, and identify where there is a risk that it is not the owner of the verified identity who is presenting it.

The service can be accessed via: www.transunion.co.uk

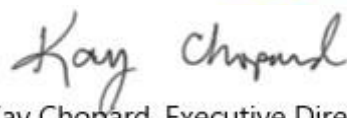

The authenticity of this certificate can be verified via: [Kantara Certified Client List](#)

Certificate number: DIATF-KIUK-26-113

Issue date: 16/07/2026
